FIELD TRIPS

Springbok Academy does not transport children for field trips. However, all students may participate in “nature walks” around the perimeter of Springbok’s property. Additionally, students may, depending on age, be taken outside to the “field” for a field trip. Springbok Academy teachers will always follow specified ratios for field trips.

I agree to allow my child to participate in nature walks and/or play in the adjacent field as is appropriate for my child’s age.
